## 6820039 EASHOOK OPEN

### DESCRIPTION

- Designed for use at the ends of ABSORBICA-Y, PROGRESS or PROGRESS ADJUST-type double lanyards and the GRILLON-type work positioning lanyard
- Removable carabiner:
  - gated connection point allows for direct attachment of the carabiner to the lanyards. If the lanyard is damaged, the connector can thus be reused
  - special connection point helps keep the carabiner loaded on the major axis
- Facilitates handling when passing intermediate anchors:
  - ergonomic shape for excellent grip
  - automatic double-action locking system is easy to use
  - wide opening for easy connection of the carabiner
  - Keylock system to avoid any involuntary snagging of the carabiner
- H cross-section:
  - ensures an improved strength-to-weight ratio
  - protects markings from abrasion
- Also available in black
