

6014221 BLUESTAR ROOF, PREPACK 4 PCS

DESCRIPTION

Powerful split leather glove (approx. 1,1 mm thick) with a long shel life. The glove has a split leather back and palm as well as a rubberised cuff for wrist protection. Sewn with Kevlar thread. Particularly suited for roofing, e.g. installing roofing felt.

FEATURES

- Good level of comfort
- High abrasion resistance
- Sewn with Kevlar thread
- Good protection against heat and sparks
- Good grip around rough objects

Print and color may vary.

SUITABLE FOR

- Light assembly- and electrician work
- Generally maintenance work
- Work, where you need a better grip
