## CORE

Rechargeable battery for Petzl headlamps featuring the HYBRID CONCEPT design: the TIKKID, TIKKINA, TIKKA, ACTIK, ARIA, and IKO. Its high-capacity lithium-ion 1250 mAh provides excellent lighting performance, even at low temperatures. It recharges directly with the integrated USB-C port. Ideal for frequent to intensive use, the CORE rechargeable battery is an economic, sustainable, and environmentally responsible solution.

Easy to charge via USB-C port (charging cable not included).

The entire lifespan of a CORE rechargeable battery is equivalent to that of 900 standard batteries.

---

Short Description Rechargeable battery compatible with Petzl headlamps featuring the HYBRID CONCEPT design

---
