

9606370 Aluminium Housing, Webbing Lifeline

HWB

Fall arrest block / inertia reel / retractable type fall arrester

- EN360
- Lightweight aluminium housing with a webbing lifeline
- Swivel eye attachment point
- Sewn in load indicator on lifeline
- Additional testing against falls over edges
- Aluminium double action hook on end of lifeline to EN362

Block can be attached to an anchorage point or safety harness

Sturdy low-maintenance fall arrest devices with webbing or galvanised steel rope lifeline. Lightweight plastic or aluminium housing with, dependent of the model, either a rotational attachment eye (to prevent the webbing or rope from twisting), or a steel carry handle.
