

DATASHEET

6821107, Drumbag ICM

DESCRIPTION

Drumbag

The bag is made from an 1800 x 900 PVC black flat-coated material.

The lifting straps are made from high quality double plain nylon.

The hard bottom is made of hard plastic to keep the bag in shape and prolong the lifespan of the bag.

The bottom is replaceable and can be easily replaced if needed.

The bag has with a white plastic insert making the bag upright and stable.

DETAILS

This model has six pockets placed on the outside of the bag. Lifting straps can be used for belt fastening. The top of the bag is closed by a zipper, the pockets around the outside are closed by velcro. The pockets on the outside have securing holes for attaching and securing tools and other content inside the pockets. The bag comes with a comfortable attachable/detachable shoulder strap.

SUITABLE FOR

- Lifting Equipment
- Never expose the bag to temperatures above 100 degrees Celsius or below -40 degrees Celsius.
