

6011410 BLUESTAR INTERLOCK, SOFT 25

DESCRIPTION

Fourchette style interlock glove of bleached cotton with mini-dots. The glove has a good fit and good tactility.

The mini-dots are nearly invisible, but gives a better grip on slippery subjects.

Print and color may vary.

FEATURES

- Good fit and increase of comfort
- Breathable and pleasant in use
- 320g cotton per dozen
- Mini-dots secure a better grip

SUITABLE FOR

- Light assembly- and electrician work
- Generally maintenance work
- Work, where you need a better grip
