

6011025 BLUESTAR INTERLOCK, SOFT 3

DESCRIPTION

Fourchette style interlock glove of bleached cotton in high quality. Is used as innerglove, to lead excessed heat away and to absorb slight damp. The material feels comfortable to the skin. Because of the length of the glove, it covers the hand and some of the arm. It is suitable to be worn under long chemical gloves.

Washable, but will shrink slightly.

Print and color may vary.
