

3525087 BLUESTAR FIT-OVER

DESCRIPTION

Very comfortable safety eyewear that fits over prescription spectacles. Fits over most types of spectacles despite the slim design. Excellent safety eyewear for visitors. Temple ends are covered in soft PVC, which makes the eyewear comfortable for prolonged wear. Anti-fog coated lens.

FEATURES

- Antifog coating
- Fits over prescription glasses
- Soft PVC on temples
- High comfort

SUITABLE FOR

- Protecting against dust and fluids
- Impact protection
- General maintenance tasks
- Eyewear for visitors
