

Dry Zone PU Rain Jacket

ART. 026300

ELKA Rainwear Dry Zone PU Rain Jacket – a reliable and functional rain jacket designed to provide maximum protection in wet and challenging work environments. This rain jacket is part of ELKA Rainwear's popular Dry Zone series, known for its high stretchability, ensuring comfort and freedom of movement. The jacket features a concealed hood with a drawstring for optimal protection against rain and wind. The sleeves have press studs for easy adjustment to ensure a snug fit. The zipper is protected by a storm flap with press studs, effectively keeping out water and wind. Reinforced welds at stress points ensure the jacket is highly durable, even under tough conditions. Additionally, the jacket has two practical flap-covered pockets to keep your belongings dry. Complete your workwear with the matching Dry Zone PU Rain Trousers from the same series for full waterproof protection. With this combination from ELKA Rainwear, you'll have flexibility, comfort, and maximum protection in a sleek design.
