

6012669

BlueStar LIGHT CUT D

DESCRIPTION

Very durable and flexible work glove in polyester and spandex. The nitrile coating in the palm and fingers ensure a good grip, even if the item is wet and slippery. Very good fit, comfort and finger feel for this type of glove. The HPPE material provides good protection against sharp objects, and occupational injuries can be avoided (cut level D).

FEATURES

- Very good fit
- Very durable
- Excellent grip when items are wet and oiled
- Breathable
- Cut D resistance

SUITABLE FOR

- All-round glove for construction, industry, assembly and storage
- Work where high wear resistance and good grip are required
- Handling sharp items

Print and color may vary.
