<b>Weight</b>	0.36 lb. ( 0.16 kg)
<b>Standards/Approvals</b>	Capital Safety Gen. Mfg. Req.
<b>Packaging</b>	1 per case

### DESCRIPTION

This lightweight tool retractor features a swivelling top housing connection and high-strength Dyneema retractor line. The design helps minimize tool tangling and the risk of tripping and entangling at the job site, while reducing weight on workers' belts and harnesses. An optional harness adaptor available (6801289).
