

## 6011390 BLUESTAR INTERLOCK SOFT 14

### DESCRIPTION

Fourchette style interlock glove of bleached cotton. The glove has a good fit, good tactility and leaves no fingerprint. Suitable as innerglove under leather- and chemical gloves in e.g. the electronics- and pharmaceutical industry, as the glove absorbs slight damp.

### FEATURES

- Leading excessed heat away and absorbs slight damp
- Breathable and pleasant in use
- Good fit and increase of comfort
- 200g cotton per dozen

### SUITABLE FOR

- Assembly- and electrician work, where no prints are left on the item
- Use under leather- and chemical gloves

*Print and color may vary.*
