

## 6012661 BLUESTAR MULTIFLEX

### DESCRIPTION

Knitted nylon with foamed nitrile coating in palm and fingertips. Because of the fine meshed and seamless nylonknit, the glove offers a very high tactility and a perfect fit. The glove closes tightly around the wrist, without being too warm. A very comfortable and flexible glove with good abrasion properties.

### FEATURES

- Knitted nylon with foamed nitrile coating
- High comfort
- Flexible
