Edelrid Flex Pro II, 4-P sele CE/ANSI

6800933 - 934

DESCRIPTION

Comfortable fall arrest harness with extensive features for work at heights and in fall risk areas.

PROPERTIES

- Easy to put on and adjust to any body size.
- Fall indicator in the back padding; a red label becomes visible in the window in the back plate following a load of over 6 kN.
- Two large aluminium D-rings as side eyelets according to EN 358 provide a work position and a stand-by position for fastening a lanyard.
- Double Lock buckles on the legs and hips.
- All load-bearing straps are equipped with indicator tape; red fibers become visible in the event of damage and signal to the user that the harness should be replaced.
