

6012579

BlueStar Cold Grip

DESCRIPTION

Fantastically soft and comfortable winter glove with 2-layer knitted liner. Outer layer of nylon coated with PVC and HPT®. HPT® ensures a fantastic grip in very cold environments, where the glove still feels soft to work with. Inside the glove is lined with soft acrylic and wool. There is a touch on the thumb and index finger.

FEATURES

- Keeps hands warm
- Very flexible at low temperatures
- Touch function

SUITABLE FOR

- Working in very cold environments
- Cold stores, freezers, cold storage
- Outdoor assembly and industry

Print and color may vary.
